UK & CONTINENTAL COACH HOLIDAYS
RIVER CRUISES
SHORT BREAKS
Dear Friends

We are delighted to bring to you our 2020 summer holiday programme offering the latest collection of quality and value for money holidays. We have continued to include your trusted favourite tours, together with some new ideas and destinations which we hope will appeal to everyone.

We recognise that when travelling by coach, comfort and reliability are of the utmost importance and that is why our main coach suppliers are chosen because of their experienced friendly tour drivers and well maintained modern coaches offering air conditioning, toilet/drinks facilities and fewer seats giving more leg room.

At peak times we may have to hire extra coaches that have a normal seating layout.

YOUR FINANCIAL SECURITY

COACH HOLIDAYS Angela Holidays are members of the Bonded Coach Holiday Group of the Confederation of Passenger Transport UK Ltd. This is a government approved consumer protection scheme. This ensures that in relation to the coach package holidays described in this brochure (or website) that the clients’ monies are protected by a bond which may be called upon in the unlikely event of the member’s insolvency. Client’s are recommended to inspect the current membership certificate at our office, or alternatively go to www.bch-uk.org or telephone 0207 240 3131 to confirm current membership. Your attention is also drawn to the Bonded Coach Holidays Group Trading Charter that will apply to these coach package holidays.

AIR HOLIDAYS Angela Holidays act as an agent for the air holidays to Jersey & Guernsey. Financial security is provided by ATOL and the relevant ATOL licence details are shown on the tour page.

We also have a separate winter brochure covering November to March holidays.

May I take this opportunity of wishing you a happy holiday and look forward to welcoming you in 2020.

Managing Director

The museum was named after Helene Kröller-Müller who collected 11,500 art pieces with the help of an advisor, H.P. Bremmer. The castle has a history that is almost as old as the city itself. From either the Great Terrace or the gardens, enjoy an amazing view over Heidelberg, the Neckar River, and the valley. Built upon several terraces, they were made up of many flower beds, mazes, sculptures, heated greenhouse with orange trees, large ponds, waterfalls, and a man-made grotto. You will then head for the Neckarmünzplatz, on the banks of the Neckar River, and continue with a guided tour of the old city, passing by the Church of the Holy Spirit, the most famous church in Heidelberg, whose steeple dominates the town. Among the best are Maritiman – the world’s largest floating ship museum; Götaplatsen Square; and the Volvo Museum, exhibiting historic cars, buses, machines, engines and some unique concepts. Gothenburg’s scenic beauty is something to savour too – a cruise of the city’s enchanting canals aboard a traditional ‘Paddan’ boat is highly recommended.

An arrival into Oslo is the start of two memorable days in Norway, providing a fitting finale to your short, yet highly rewarding exploration of Scandinavia. 11 OUR COACHES
We will always use our reasonable endeavours to provide a coach to the specification in our brochure or advert, but reserved right to substitute an alternative vehicle should there be unforeseen circumstances. There is a seating plan but in some cases you may need to communicate with a different coach configuration. We reserve the right to alter a coach seating plan and allocate seats other than those booked. Single passengers may be required to share a double seat with another single passenger. When your booking is confirmed, we will allocate the best seats that are available at that time. If you feel that you require two seats, then these must be requested in writing by the time of booking. If you fail to do this and it transpires that the seat allocated to you is insufficient for your needs and there is no alternative seating available then you will be refused access to the coach and any payments made will be liable to forfeiture.

12 HOTEL FACILITIES
Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

13 HEALTH AND SAFETY
In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have specific requirements. In these circumstances we reserve the right to change and our clients are responsible for complying with entry and current health requirements. In particular, it is important to check requirements for the countries you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet "Health Advice for Travellers". Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, stroke, or high blood pressure you should consult your doctor before departure. Make sure you have travel insurance which covers medical treatment for cancer, stroke, and heart or lung disease or if you have had major surgery in the past three months.

We reserve the right to refuse any booking in the absence of a doctor’s certificate confirming that you are fit to travel. Where we provide comfort stops you are advised to use them. Exercise reduces any discomfort, which may be caused by periods of immobility.

NO SMOKING is allowed on our coaches (including E-Cigarettes) and we do not allow pets or animals of any kind. We are also unable to accommodate passengers with uncontrolled diabetes, or with other allergic reactions to insects, dogs, but not on overseas holidays.

14 TRAVEL DOCUMENTS, ITINERARIES, PICK-UP POINTS AND PASSPORTS

We cannot accept responsibility if passengers are not in possession of the correct travel documents. If you will need assistance, or may be unable to fully enjoy all aspects of your holiday you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. You may use an alternative insurer but you must advise us. The insurance should cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and require our assistance during your holiday, we reserve the right to reclaim from you any medical repatriation or other expenses which we may incur on your behalf which would otherwise have been met by insurers. You must advise us if you use an alternative insurer, the policy number and 24 hour contact number.
